$3,500 Worth of Guns Stolen

The second major firearms burglary here in less than a week was reported to police Sunday.

About 35 shotguns, rifles and pistols were reported stolen from the Gun Shop at 3933 E. Admiral Place.

H. C. Williams, owner, estimated loss at $3,500 to $4,000. The guns were all of the valuable ones in his shop, he said. About a dozen less expensive rifles and shotguns were left.

The burglars pried open the back door of Bea's Beauty Shop at 3931 E. Admiral Place, then cut a hole through a wall into the Gun Shop.

Another big firearms burglary occurred Wednesday night when about 100 rifles, shotguns and pistols were taken from Oertle's Discount Center at 3325 S. Memorial Drive. Less valuable guns also were left in this burglary.

#4 The same time, two Dallas gunshops were robbed of an enormous number of weapons
